“Let There Be Light”

The Christmas production was held on the 20th December. The performance took place at the Technical School in Limassol. This year's show was special because it involved students from both the primary and secondary departments.

The younger primary classes provided a half hour musical prelude of traditional Christmas carols. The on-stage performance highlighted singing, drama and dance. Grades 4, 5 and 6 presented a Biblical nativity drama. Secondary students performed Christmas songs, a drama and dance which warmed the hearts of the audience and highlighted the real reason for the season.

Following the show, the audience was invited to join the cast for delicious holiday treats provided by Logos teachers.

Students and staff worked hard to prepare this show; we are thankful for their success! We look forward to next year's production! Congratulations to everyone involved.

Fun Run for Charity

Logos School has a tradition of hosting a special event to raise money for charity. This year we raised 1710 pounds for the Anti-Cancer Society. A sponsored run was held at Lanitiou Stadium. Participants got commitments from classmates and friends to give them money for running. Primary students ran 400 m or 800 m; secondary students ran 2 km. The finale was a 5 km race. Mr Keir won the male section. Miss Linda won the female section. Special mention should go to Panayiotis Michael who was the highest placed student.

LSEE Basketball

Logos School is excited to have an official boys' basketball team this year; they played their first game against American Academy in November. All of the boys tried hard, but unfortunately they were not able to overcome their competitors who have several years' experience. The player of the match was Ryan Ledingham. The team meets weekly for basketball club under the direction of Miss Linda, Mr Eli and Mr David Cooper.

Logos School has also formed a football team which will be participating in league games against other private schools in the area: Foley's, St. John's, Pascal English, Pascal Greek, Heritage and American Academy. Logos students will be playing five Saturday mornings at 10:00 at Happy Valley. The dates of the matches are 12th January, 9th February, 16th February, and 1st March. This team is coached by Mr Keir.

Logos athletes will appreciate everyone who shows up to show support and cheer them as they play.

Top IGCSE Maths Grade In Cyprus

Congratulations to Ritaban Bandyopadhyay on receiving the highest score on his June 2007 Maths IGCSE exam in Cyprus. Ritaban's Maths teacher, Mr Jeremy, said, "Congratulations for a well deserved result!"

Logos School provides a high moral and academic standard of education from kindergarten to IGCSE/GCE A-level
