Graduation 2006 celebrated

Logos families and friends honour the accomplishments of their students

On 26th June, close to four hundred people gathered at the St Raphael Hotel in Limassol, to celebrate the accomplishments of our students. The Grade 6 class moved up to the secondary school, academic awards were presented to all grades and the Grade 12 students received diplomas.

More than half of the class is back at Logos this year to complete their A-Levels. Grade 13 is optional for students who wish to enter British Universities. We wish them every success in their ambition to join former pupils now studying at undergraduate and postgraduate degree (PhD) level.
